Did you know that lung cancer kills more people each year than AIDS, liver cancer, or ovarian cancer? And that lung cancer is the most common cause of cancer death in North America? Did you know the link between smoking and sight loss is as strong as the link between smoking and lung cancer? To encourage people to say #EyeQuit for National No Smoking Day (13 March 2019) we're highlighting twenty ways smoking can affect your vision and eye health. The Rhode Island Department of Health (RIDOH) is advising consumers that Thrive Market is recalling all unexpired lots of the Thrive Market brand nut butters listed below due to the potential for contamination with *Listeria monocytogenes*.
