We had a great turn out despite the WX being somewhat bad North and South of us. On May 10, 1919, Mitscher was among a group of naval aviators attempting the first transatlantic crossing by air. Among the men involved was future admiral Jack Towers. Mitscher piloted NC-1, one of three Curtiss NC flying boats that attempted the flight. Taking off from Newfoundland, he nearly reached the Azores before heavy fog caused loss of the horizon, making flying in the early aircraft ...I. — THE PLANT MEN. As I stood upon the bluff before my cottage on that clear cold night in the early part of March, 1886, the noble Hudson flowing like the grey and silent spectre of a dead river below me, I felt again the strange, compelling influence of the mighty god of war, my beloved Mars, which for ten long and lonesome years I had implored with outstretched arms to carry me back to ...When you consider we had to stop the combat air patrols over American cities because the 24/7/365 toll was becoming too great on our overly complex nation-state war (NSW) fighter-bombers, you wonder why most of our simpler, fuel-efficient, long loiter time, armored A-10s are sitting in storage in the Davis-Monthan AFB desert while unarmored, thin-wing F-16s are trying to gunstrafe fleeting ...
